The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

1. The development of acquaintance as an opportunity for service;
2. High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
3. The application of the ideal of service in each Rotarian's personal, business, and community life;
4. The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

This objective is set against the "Rotary 4-Way Test," used to see if a planned action is compatible with the Rotarian spirit. The Rotary 4-Way Test is a template for successful problem solving and sits on the desks of millions of business and professional leaders around the world. The 4-Way Test asks the following questions:

Of the things we think, say, or do...

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

To the best of my understanding, I have not conducted and will not conduct myself in a manner inconsistent with the above Rotary standards.
